

Museum of Living Arts

Age Requirements

14 and 15

The client must have a current state/federally issued picture ID. They must be accompanied by a parent/legal guardian who also has a current state/federally issued picture ID. The last names and/or the addresses must match on both IDs. They must also have a Physicians Acknowledgement Form, filled out by your physician. (See the "Physicians Acknowledgement" tab). As an alternative to the Physicians Acknowledgement Form, you may bring a doctor's note on the doctor's letterhead stating that the child is in good health to receive a piercing and that if any complications arise that they are willing to treat the child. We will not do the piercing if they are missing any of these criteria.

16 and 17

The client must have a current state/federally issued picture ID. They must be accompanied by a parent/legal guardian who should also have a current state/federally issued picture ID. The last names and/or the addresses must match on both IDs. We will not do the piercing if the names and/or addresses do not match.

18 and up

The client must have a current state/federally issued picture ID.
